WHAT WE OFFER

Explore Our Complete Manufacturing & Sourcing Gallery

Label Gallery

We can produce as per customer requirement all kinds of woven labels, printed labels, satin labels, taffeta labels, heatseal labels, barcode labels, etc. Please visit our gallery.

Zipper Gallery

High-quality zippers designed for smooth operation and long-lasting performance. Available in metal, nylon coil, plastic molded, and invisible types, suitable for garments, bags, and accessories in various sizes and colors

Thread Gallery

High-quality sewing threads offering strong, smooth, and durable stitching. Available in polyester, cotton, nylon, and poly-cotton types, suitable for all kinds of garments, embroidery, and industrial sewing applications.

Button Gallery

Lightweight and versatile buttons made from plastic, resin, shell, wood, or corozo. Ideal for shirts, kidswear, casual and fashion garments, available in various sizes, colors, and finishes.

Metal Button Gallery

Elastic Gallery

Twill Tape Galary

Strong and durable buttons made from brass, zinc alloy, or stainless steel. Ideal for denim, jackets, uniforms, and outerwear, available in various sizes, finishes, and custom logo designs.

High-quality garment elastics with excellent stretch and recovery. Suitable for waistbands, cuffs, underwear, sportswear, and kidswear, available in multiple widths, colors, and types.

Strong and durable woven tape with a distinctive diagonal pattern. Widely used for reinforcement, binding, drawstrings, and decorative purposes in garments, bags, and home textiles.

Gum Tape

Strong adhesive tape used for carton sealing and packaging. Ideal for garment packing, shipping, and storage, providing secure closure and reliable protection during transportation.

Sticker Gallery

High-quality stickers for branding, packaging, and garment labeling. Available in various shapes, sizes, colors, and finishes, perfect for product identification, promotions, and decorative purposes.

Hang Tag Gallery

Stylish and durable hang tags for garments and accessories, ideal for branding, pricing, and product information. Available in various materials, shapes, sizes, and printing finishes to enhance the presentation of your products.

Price Ticket

Durable and clear price tickets for garments and accessories. Perfect for labeling products with price, size, and product details, available in various materials, sizes, and customizable designs.

Silica Gel

Moisture-absorbing silica gel packets to keep garments, accessories, and packaged products dry and protected. Available in various sizes and types for effective moisture control during storage and shipping.
